"[The Global Internship] showed me the power and importance of a walk with Christ, and it showed me how wonderful it can be to surround yourself with people who are searching after Christ. The internship also gave me a solid foundation which I can always turn back to. Just remembering my time there gives me confidence to walk through life with Christ and not on my own."

Global Internship Alumni - Class of 2020

"Our trip was ABOVE & BEYOND what we could have asked or imagined. The thoughtful planning, training and immersion into the life and culture of South Africa was unparalleled. We can't stop thinking about the lives we encountered, the people we served and the presence of Jesus that has changed us forever. We can't get enough---we're coming back!"
